

We Finally Delivered It.

Contributed by Ryan Bohnert
Monday, 12 January 2009

We finally delivered our new site and it went over pretty well. ATVLounge.com had over 1300 visitors in 5 days. We will continue to add stuff to it as we go and be sure to check out the forums. We are expecting a ton of visitors in the next few months. Check it out at www.atvlounge.com . Thanks, Ryan at www.stjoepark.com
